SUBJECT: HQ VIP Visitor Parking

1. The limited amount of space available for parking on the HQ compound and other restraints imposed by on-going construction make it necessary to revise NIC procedures for VIP visitor parking.
2. In the future, temporary VIP parking will only be used by:
  - Officers in the grade or position of SIS-01 and above,
  - Equivalent military flag rank (full Colonel and above).
  - Officials with comparable private sector rank.
  - Chief Master Sergeants or Master Chief Petty Officers.
3. Community representatives at or below GS-15 level who visit HQ as NIC guests will receive only temporary visitor permits for West A lot.
4. North Lot A temporary parking will be granted only for drafters who visit CIA-HQs, are on detail from other agencies, or for car pools of three or more.
5. For coordination/warning meetings, representatives may prefer to use available shuttle transportation or car pools in order to avoid delays caused by on-going construction and limited parking space at CIA HQs.
6. Please notify my secretary 24 hours in advance for applications for qualified VIP visitor parking and for carpool permits for North Lot A Lane.
